

International Conference on Energy, Communication, Data Analytics and Soft Computing (ICECDS 2017)

Website: www.ecds.org.in

All papers will be submitted for Inclusion in IEEE Xplore Digital Library

Session Title - Information and Communication Engineering - 2017 (ICE'17)

Special Session Coordinator Details

Name of the coordinator: Dr. M. Sundar Prakash Balaji

AP/ECE, RVS Technical Campus – Coimbatore,

13/3, Ramalakshmi Nagar, Kamarajar road, Peelamedu, Coimbatore.

Email ID: balajiharshavardhini@gmail.com

Theme and aim of the special section:

The processing of data and signals digitally together with the communication of such information over fixed and wireless networks is of major importance in many aspects of modern engineering. This section will provide a platform for the research scholars to share their knowledge in various areas of Information and Communication Engineering.

Topics:

The topics of interest for this session include but are not limited to:

- ✓ Embedded Systems
- ✓ VLSI Design
- ✓ Digital Signal Processing
- ✓ Digital Image Processing
- ✓ Mixed Signal Processing
- ✓ Information Security
- ✓ Bioinformatics
- ✓ Wireless Sensor Networks
- ✓ Wired & Wireless Communication
- ✓ Antenna, Waveguides and Transmission Lines
- ✓ Any other relevant area
